- You can take a walk to the nearest park, and talk about the human features you see in your local area.

Trips and Visitors

- Trip to Kenneth Moore theatre
- Posting letters at the local post box/office
- Visit from a pilot and a nurse.

Marvellous Middle

We will continue learning about our local area. One of our main focuses will be people who help us in our community. We will be inviting one of our local heroes to share with us what they do.

Stunning Start

The journey will begin with our Stunning Start day, where we will explore our local area through field work around the school. We will use photographs, Google Earth and pictures to locate human features. We will look at pictures of famous landmarks and identify them. Then we will recreate our local area by making 3D models of shops, houses, hotels, theatres, parks and placing them on a map.

Vocabulary

Local Area
Community
Heroes
Profession
Human Features
Physical Features
Ariel View
Map
Google Earth

Fantastic Finish

We will visit a local post office to post a letter and visit Kenneth Moore Theatre to watch a Christmas pantomime – Jack and the Beanstalk.
