

**My Mouth**

**I**

**use**

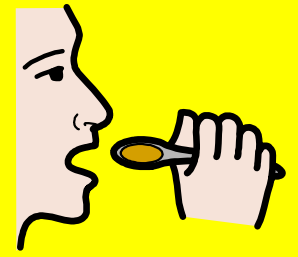

**my**

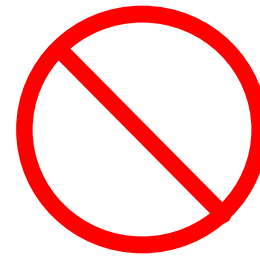

**mouth**

**for**

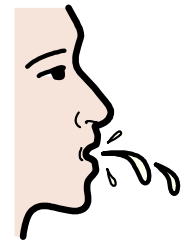

**eating**

**But**

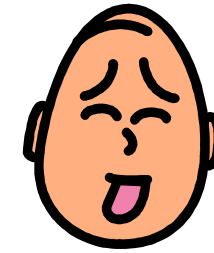

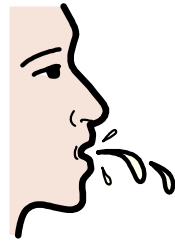

**not**

**for**

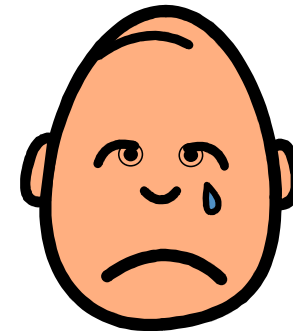

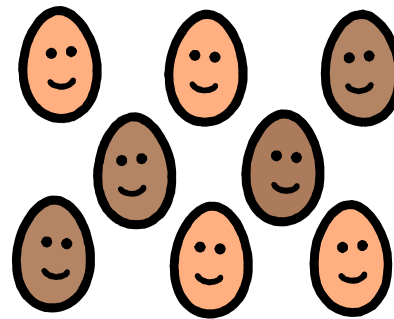

**spitting!**

because spitting is

yucky

And it makes

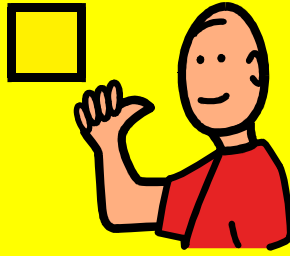

people

sad.

**I**

**use**

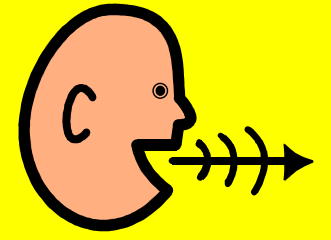

**my**

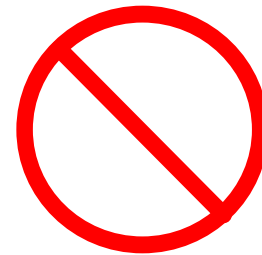

**mouth**

**for**

**talking**

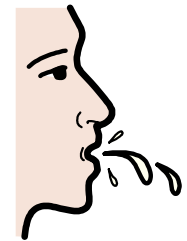

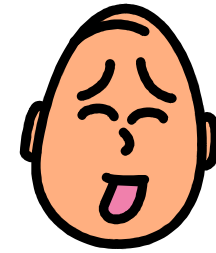

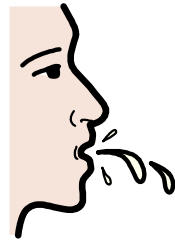

**But**

**not**

**for**

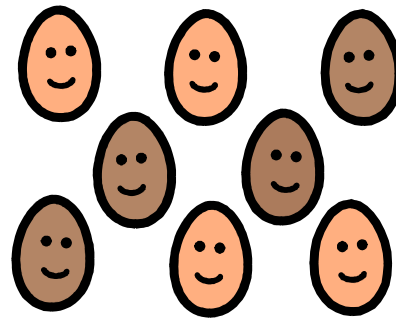

**spitting!**

because spitting is

yucky

And it makes

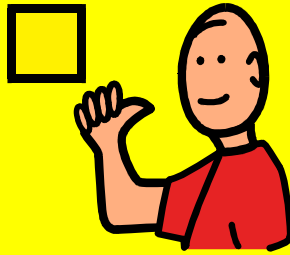

people

sick!

**I**

**use**

**my**

**mouth**

**for**

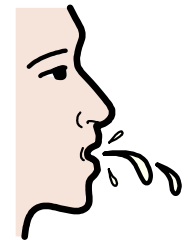

**singing**

**But**

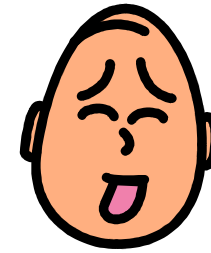

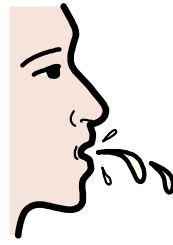

**not**

**for**

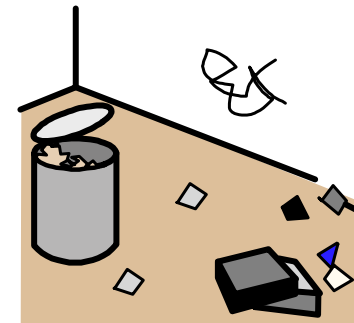

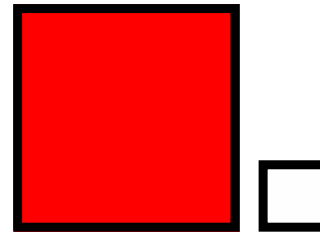

**spitting!**

because spitting is

yucky

And

it

makes

a

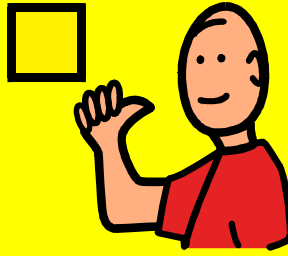

big

mess !

**I**

**use**

**my**

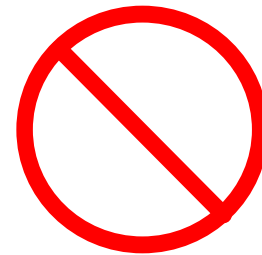

**mouth**

**for**

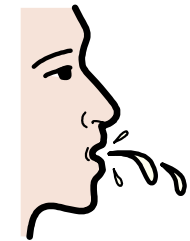

**smiling**

**But**

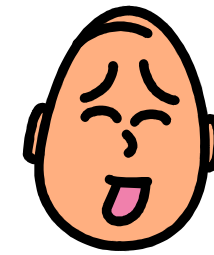

**not**

**for**

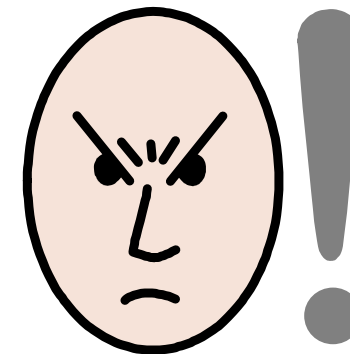

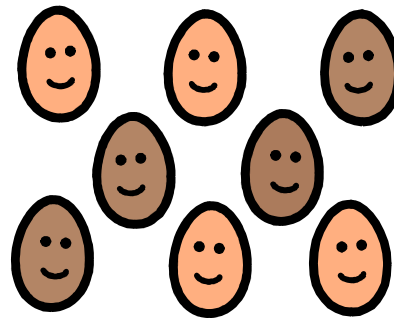

**spitting!**

because spitting is

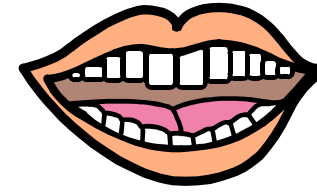

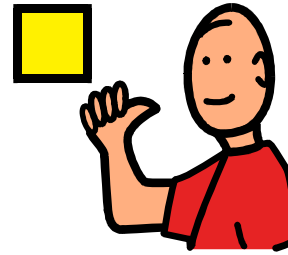

yucky

**And it makes**

**people**

**cross!**

If

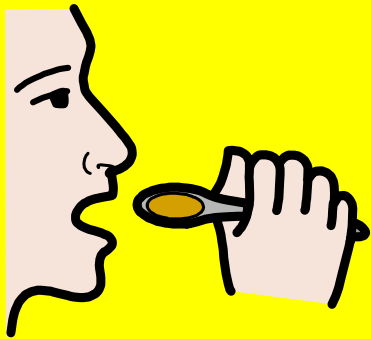

I

use

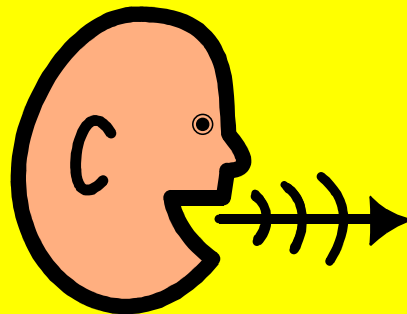

my

mouth

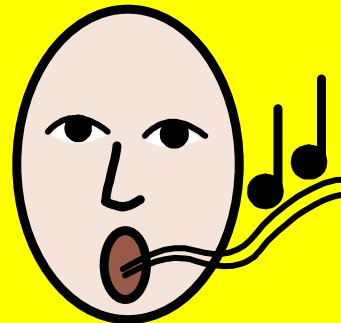

for

eating,

talking,

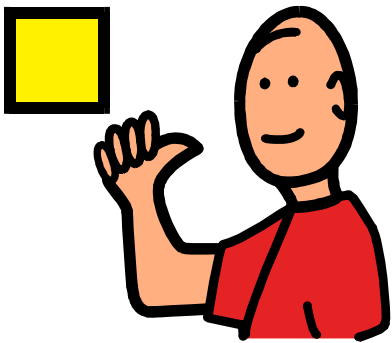

singing

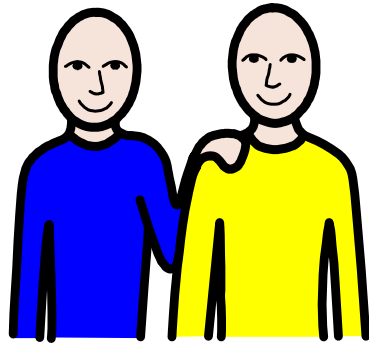

and

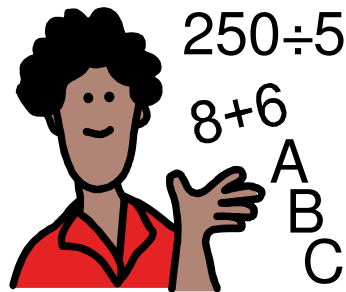

smiling...

My

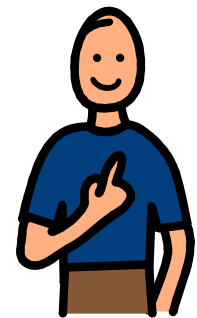

friends,

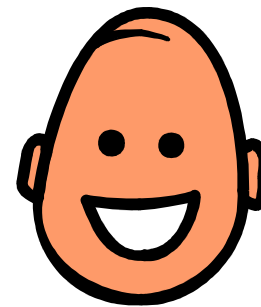

teacher

and

I

**will be happy!**

# A Social Story

"My Mouth" should be read after every

instance of spitting occurring in the classroom.

The story should be read at the students desk.

If appropriate remove any distractions from the

students desk. The Social Story should be kept

in an easily accessible place.
