

Cranbrook Primary School Newsletter

Issue: 19
14th February 2024

Thought of the week "We all have dreams, but in order to make dreams into reality, it takes an awful lot of determination. dedication. self -discipline and effort." (Jesse Owens)

Message from the Head teacher:

Dear Parents/Carers, It's been an amazing half-term and we wish you and our children a lovely break. This link shares activities being run by Vision within the Redbridge area: <https://visionrcl.org.uk/events/childrens-events/>

We are lucky to have some amazing parks in Redbridge so I hope you will have the opportunity to enjoy them and I highly recommend a visit to Hainault Country Park which has been redeveloped and is a lovely space for families.

Have a lovely half term and see you all on **Tuesday 27th February.**

Holiday and Half-Term Dates: Please note that all school term dates are set by Redbridge Council, this includes the half-term and holiday start and finish dates. More information, including school term dates until 2025 can be found at:

<https://www.redbridge.gov.uk/schools/term-dates/>

Vacancy: Are you a skilled and responsible driver with a passion for contributing to, and ensuring the well-being and safety of children? Do you have a can-do attitude? Then we have a fantastic opportunity for you to make a positive impact as a Minibus Driver.

We are seeking to employ a Minibus Driver on a casual contract, for the School, to enable our pupils to participate fully in a wide variety of activities, such as sporting fixtures, school trips etc.

Applicants must hold a full, clean UK D1 driving licence. If you are interested, please email Aysha Kiani at: recruitment@cranbrookprimary.redbridge.sch.uk to request an application pack.

We welcome applications from members of, or people known to our Cranbrook parents and carers community, so please share to those you think might be interested.

Secondary School Applications for September 2024:

Year 6 parents will receive an email on the evening of **Friday 1st March 2024** to inform you of the outcome of your secondary school application for your child.

You must respond to the offer within 14 days.

To accept your offer please log into your eadmissions account at: www.eadmissions.gov.uk

If you have problems logging into eadmissions, please contact the eadmissions support team via their website at: www.eadmissions.gov.uk/support.

Further information can be found on the school website.

Friday 16th February 2024:

Year 5 & Year 6 children celebrating World Religion Day

Friday 16th February 2024

Year 2 Trunk Theatre Workshop- all day

After School Club reminder for Year 6

Parent/Carers:

Dear Year 6 Parents/carers, please remember that if your child attends an after school club, they are not allowed to walk home alone, they must be collected by an authorised adult.

School will be closed to pupils, on Monday 26th February due to Inset day!

Reminder for Parents

Dear Parents/carers, please note that the gym area is closed during school collection times. Please do not allow your children to climb the fence and enter the gym at the end of the day.

KS2 Children - Morning Break Snacks:

If your child is in year 3- 6, please send them to school with healthy nut free snacks, if you feel they need it.

For example, fruit, vegetables and cereal bars. The School Fruit and Vegetable Scheme Provides children in Early Years and KS1 with a piece of free fruit or veg daily.

Online Safety- Safer Internet Day:

Online Safety and safeguarding is not only the responsibility of educators, but most importantly parents/guardians. We monitor what is happening within the school, but we need your help to monitor what is happening at home.

Last week on Tuesday 6th February; it was Safer Internet Day. We reminded children about the dangers of being online and how to keep themselves safe using everyday devices. An unofficial survey was carried out by children at CPS and it is evident that some parents don't supervise their child when he/she is using a device. **This is very alarming.**

We all need to work collaboratively to keep our children safe online. Please talk to your child about Online Safety. It is the adult's responsibility to monitor device usage, screen time and enable parental controls.

Please use the link below to understand parental controls further:

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/parental-controls/>

The below link will help with setting up parental controls:

<https://www.internetmatters.org/parental-controls/>

Big Science Week:

This year British Science Week will begin on **Friday 8 March**, however we've decided to celebrate early by having a special science focused Big Write Week which will take place the week commencing **Monday 26th February**. Children will spend time exploring scientific phenomena related to Time, producing a scientific journal or narrative to showcase their learning. It will certainly be a fascinating theme to explore as physicists have dedicated their life's work to understanding the concept of time in our universe.

Attendance Winners

Well done to Year 4 Blue for achieving 99.3% attendance this week!

Remember: Good attendance= good progress

Email address to report an Absence:

Please report any absence for your child on the email address below:

absence@cranbrookprimary.redbridge.sch.uk

Well done everyone!

Family Maths Challenge:

Answer to last week's challenge: $99 + (9/9) = 100$

You have to take 2 from 5 and leave 4, how it can be done?

Punctuality-Late collections:

Parents have a responsibility to ensure their child/ children are collected on time. I would like to remind all parents/ carers to be more punctual in collecting their child/ children. Parents have 15 minutes from the collection time to collect their child from the school playground.

Reception, Year 1 and Year 2 finish school at 3pm, if they are collected any later than 3:30pm they will be charged £2.50 for every 10 minutes they are late. Year 3, 4, 5 and 6 finish school at 3:15pm, if they are collected any later than 3:45pm, they will be charged £2.50 for every 10 minutes they are late. The fee will only be waived in exceptional circumstances.

Every Day Matters!

15 days of 100% attendance = Fun day!

Being in school is important to your child's achievement, wellbeing, and wider development. Evidence shows that the students with the highest attendance throughout their time in school gain the best results. Research found that pupils who performed better as well. At Cranbrook, we will be celebrating when classes have had 15 days of 100% attendance with a non- uniform day. Why 15 days? One for every letter of the phrase, 'Every Day Matters'. You will receive a School Ping message to inform you if your child's class has a non-uniform day.

Parents Meetings-INSET Day-Monday 26th February 2024:

Parents meetings will take place during the **INSET day, 26th February, from 12.30pm to 4.30pm**, where you will meet with your child's teacher in order to find out how your child is doing etc. Appointments are now available on school ping in order for you to book an appointment with your child's teacher.

We would love you our parents & carers to share recommendations of individuals who inspire them, especially from your own culture.

Your diverse insights will contribute to a variety of inspirations within our school community.

Please send them to:

uk**

Celebrating Cultural Connections-Celebrating diversity across our school:

Newton of Gaza

15-year-old Hussam Al-Attar has been called the 'Newton of Gaza' after lighting up the displacement shelters in Gaza's Rafah using a generator powered by wind energy.

"The idea of taking advantage of the cold weather and wind, which seeps into the children's bodies, exhausting them with fatigue and illness, has inspired me to turn it into a source of warmth and heat," said the teen who was able, despite the scarcity of capabilities, to create fans that generate electricity, even if only a little, through power generators.

The young inventor explained that the driving force behind his creation was the desire to provide sufficient light for his brother to see clearly during the night hours. The young innovator's invention has illuminated the darkness of his camp with minimal resources.
